The best time you will ever have

Magnum Hunts is pleased to be able to offer hunters the opportunity to collect outstanding trophies of all of the South Pacific game animals.

Paul Convery, owner/operator of Magnum Hunts and Taxidermy, is acknowledged as a Deer Hunting specialist with over twenty-five years hunting experience in five countries. Having collected many trophies of all the South Pacific species, your guide has the knowledge and expertise needed for you to be successful. Coupled with expert field preparation by a professional taxidermist, you can rest assured that no detail will be overlooked in the pursuit and care of your trophies. Export & Import of your valued trophies is facilitated through our Quarantine Approved Premises No. S1056.

Having exclusive access to many private properties allows opportunities for hunters to collect a wide variety of trophy animals.

Based in Adelaide South Australia, we are a three-hour drive from the largest private hunting reserve in the South Pacific. All of Australia's six deer species plus Water Buffalo, trophy Goats and Rams can be found in this area of over 450 sq miles. The ability to hunt multiple species in the one location, and the outstanding quality of the trophies available ensures the best possible value to you.
